A Bespoke Onboarding Journey for AI Enablement

Four weeks from first access to everyday habit

WEEK 1

Explore

Users get access to tool(s) and a set of resources, then explore on their own before any introduction.

Discover

WEEK 2

101 Session

Live demo of the tool, widely relatable use cases, plus prompt anatomy and best practices.

Learn

WEEK 3

Persona Training

A double click into function-specific use cases for individual roles and departments.

Apply

WEEK 4 +

Office Hours & AI Everyday

Weekly office hours, plus 20 days of daily tips delivered to inboxes.

Sustain

Explore first, learn the basics, specialize by role, then keep the tool in front of users every day.
